

FOOD SERVICE SOLUTIONS

The purpose of this food service solution guide, is to support you and your customers with long term, reusable options within all sectors.

We have curated ranges from the existing portfolio partnered with a number of new ranges and materials.

Where possible, Dalebrook is making a conscious effort to remove single use products from our product offering and replacing with Re-Usable products.

OASIS

Oasis has been designed so that the plate and bowl can combine together to create a sealed solution. With added inserts, food elements can be kept separate, which is particularly useful when transporting food.

PORTOBELLO

Simple and clean, Portobello is a minimalistic Bento box. Available in two sizes, room service and poolside dining is covered. Much like our best selling Oasis range, the plate doubles as a lid for transporting food to the diners.
