## Who cares? We care!

At last, Dalebrook brings you OMNI, a revolutionary, meaningful, designed for purpose, melamine dinnerware range.

Created in response to a real demand identified by our customers who are unable to source a suitable dinnerware range for the healthcare sector.

Our in-house design team have worked with hospitals, care homes, carers and dementia sufferers to create a fit-for-purpose healthcare dinnerware range that generates a positive dining experience.

With over 70 years' industry experience, Dalebrook are world-leaders in the design and manufacture of melamine food display.

Our deluxe dinnerware collections have the elegant appearance of porcelain, with all the benefits, strength, and durability of melamine.

Forward-thinking caterers and food service experts around the world are creating stunning food displays with our classic and contemporary tabletop solutions.

*A unique and innovatively designed premium melamine tableware solution to support independence and promote dignity within the healthcare sector.*

# OMNI

# OMNI

OMNI, a dinnerware range for the health and social care sectors.

Sturdy, durable and virtually unbreakable, OMNI premium melamine dinnerware and drinking aids promote equality, maintain dignity, encourage independence, and wellbeing.

With discreet features designed to empower those who have difficulty in using traditional porcelain crockery or fine china, OMNI can be used by anyone, anywhere with confidence.

- made from 100% food-safe premium melamine
- BPA-free
- melamine is a great insulator it keeps
  - hot food and drink warm
  - cold food and drink cool
- durable, strong and practically indestructible
- has the appearance of porcelain
- dishwasher safe
- considerably reduces the impact of noise during service

If you require a custom piece or colour, our design team specialise in creating and producing new concepts from the ground-up.

OMNI

**OMNI**  
*Making eating and drinking enjoyable for all*

## Eating with OMNI

- lightweight, durable, food-safe melamine
- deep internal wall to replace the need for a separate food bumper
- sensory bumps for muscle memory
- wide rim with underside lip to help grip
- support handle for single-handed grip
- silicone feet to prevent surface slipping
- lower noise levels during food service
- high-contrast rim to assist visual impairment

**OMNI**  
*A fit for purpose healthcare dinnerware collection*

**OMNI**  
*With discreet features designed for disabled and elderly diners*

## Drinking with OMNI

### Cup and Mug

- lightweight melamine
- use with hot or cold liquids
- smooth ergonomically designed handle
- discreet internal capacity markers to monitor hydration
- wide stable base
- heat guard inside of the handle
- secondary contact point to aid grip
- indented rest point for straws and easy removal of lids
- a domed base for easy locating on a saucer
- high-contrast handle to assist visual impairment
- cooler to touch than traditional porcelain or china

### Saucer

- lightweight melamine
- a raised domed base for ease of cup and mug location
- angled rim, with support handle for single-handed grip
- anti-slip silicone feet
- high-contrast rim to assist visual impairment

T3800BL

## OMNI Saucer

- Designed to work with both the **OMNI mug and tea cup.**
- raised domed base for ease of cup and mug location

**OMNI**  
*Who cares? We care!*

## OMNI Shallow Plates

Perfect for general service;

- sturdy and durable so fewer breakages
- lower noise levels during service than standard porcelain
- designed to work with a standard cloche
- a great insulator so no need to pre-heat
- nestable for ease of storage

## OMNI Bowl

The perfect bowl for general service;

- 400ml / 14oz capacity
- great thermal properties to assist in keeping food warm or cold
- wide, stable, self-righting shape
- anti-slip silicone feet

## OMNI Deep Edge Plates

**OMNI Deep Edge Dinner Plate and Deep Edge Side Plate** - replace the need to use a separate food bumper, the deep internal wall aids diners who may push food off the plate because of a lack of coordination, limited muscle control or dexterity.

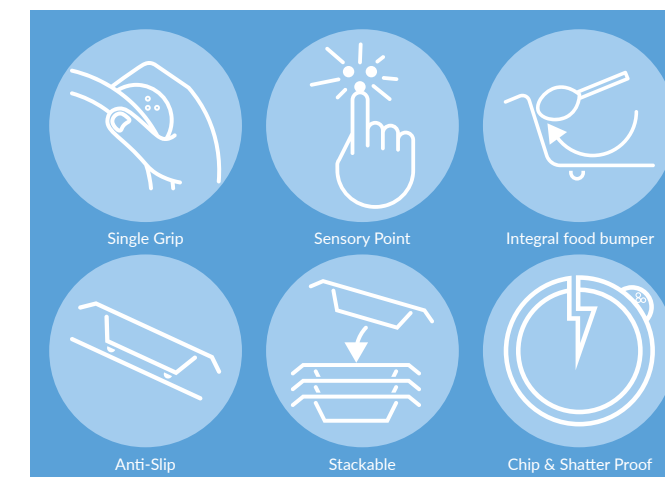

- stable anti-slip silicone feet
- muscle memory sensory points
- deep internal wall
- wide rim for grip
- nestable for ease of storage
- a great insulator so no need to pre-heat

Support handle  
for single-handed grip

OMNI  
Deep Edge Plate

*Discreet features designed to empower diners requiring additional support*

*Alzheimer's and Dementia sufferer's food intake increases by up to 25% when high-contrast tableware is used.*

### *Design in mind*

"Research by Boston University in 2004 has concluded that advanced Alzheimer's patients' struggle to process visual data—like contrast and depth perception when eating off standard white plates. Food intake increases by up to 25% and liquid intake increases by up to 83% when high-contrast tableware is used."

## OMNI

### *Deep Edge Red Alzheimer's and Dementia Plate*

This purpose designed plate encourages food recognition and eating by Alzheimer's and Dementia sufferers. This plate has a positive impact on the challenges of recognising food caused by visual impairment.

## OMNI Drinking Aids

Fits both the OMNI cup and mug

- available in two designs
  - sip lid with sip through hole
  - funnel lid with flow control
- discreet design in durable silicone
- can be used with hot or cold liquids
- inwardly curved lid surface for nose space
- reduces risk of spillage
- drinking aperture controls flow of liquid intake

Customisation

Should you have a need for a product and you are not sure how to get it made, talk to one of our specialists today about our product design service.

Our in-house design team specialises in designing and producing new products from the ground-up with a specification and purpose in mind.

We will work closely with you to understand exactly what you need and guide you through the process of concept design and production.

Our accreditations endorse our commitment to provide excellent products supported by a world-class design service.

Make your food service standout by giving it the finishing touch with Dalebrook's design service
