

Job Title: Junior Videographer

Department: Design

Location: Witham, Essex

About Dalebrook

Dalebrook Supplies is the leader in the design and manufacture of food display ware, working in multiple food sector industries and selling to over sixty countries.

Dalebrook has offices in Essex, London, New York, Miami and China.

Job Role

We are looking for a Junior Videographer / Graduate to be responsible for the filming and live streaming of **high profile** internal and external stakeholder **events and conferences**, as well as **capturing** content to promote products, campaigns and initiatives. Working within the design team, you may from time to time be working on some Graphic Design led projects too.

Responsibilities

- Develop and deliver on **video briefs** through creative input, videography, **technical solutions** and general video knowledge.
- **Film** and **edit** videos within **deadline** and to the highest standard.
- Work closely with teams across the business to help plan **video shoots**.
- Constantly strive to develop the **quality** of video output.
- Keep ahead of video trends to make relevant and inspirational content.
- Manage multiple projects at once.
- Ad-hoc graphic design projects including social media campaigns.

Personal Specification

- Degree educated or equivalent experience required.
- Software skills including: **Adobe Creative Cloud - Photoshop, Illustrator, Premiere Pro & After Effects**
- Experience with **HTML** and experience of working with **CSS**, is beneficial.
- Good technical video equipment knowledge.
- Confident and competent at self-shooting and editing to produce 'final videos'.
- Ability to plan, visualise, set up, film and manage shoots.
- Interested with all things digital but equally you'll also have a talent for graphic design.
- Reliable, proactive and approachable.
- Self-motivated and problem solver with an aptitude to learn new skills.
- Excellent communication and negotiation skills both written and verbal.
- Enjoy marketing strategy, research, storyboarding and being organised.
- Capable at producing Social media video adverts.
- Eligible to work in the UK.
- Previous food presentation experience desirable but not essential.
- Wider creative graphics skillset desirable.

Job Title: Junior Videographer

Department: Design

Location: Witham, Essex

The Candidate

We are looking for an **energetic**, collaborative and hardworking individual who thinks differently, pushes boundaries and isn't content with the way things are. A strong appetite to influence change in consumer behaviour through video and **storytelling** would be highly advantageous.

The ideal candidate will be efficient, hard-working, and diligent with a passion to succeed.

You should have a Graphic Design / Videography **portfolio** consisting of digital and print examples available to bring to an interview with you.

The Offer

Salary / package will be dependent upon experience. We work in **contemporary offices** with state-of-the-art technology. We are a company that has the **luxury** of being able to design and manufacture solutions for our customers and we welcome **creative** candidates to apply.

The role also brings with it a huge potential for **growth**. We prefer to grow our talent from within and our very own Managing Director, started with us as an Administrator, and worked her way up - to the very top!

Culturally, we adopt a **focussed** and **collaborative** environment. You will find many of the employees have been with the business for some time, which we feel speaks volumes. You can be assured you will be joining a **solid, professional** and **secure** business, with a mass of experience and opportunities. The nature of our business brings with it some **compelling** opportunities and opportunities to create new, **ground-breaking** products. These are very **exciting** times for us, and this is a **fantastic** time to join us.
