INNOVATORS IN FOOD DISPLAY, LEADERS IN MELAMINE.

Established in 1945, Dalebrook Supplies are world leaders in the design and manufacture of melamine tableware.

GLOBAL DISTRIBUTION

Our three distribution centres based in the UK, China and the USA allows us to dispatch our portfolio of over 1,000 products to our global customer base. This enables us to deliver an excellent standard of service, maintaining fast turnaround times and delivering products to help meet your deadlines.

EXPERIENCE WHERE IT COUNTS

Our market knowledge, experience and excellent understanding of overseas manufacturing, import procedures, port health authorities and customs enables us to deliver an unrivalled standard of service.

With over 70 years' experience as specialists in the food service industry, we have established long-term manufacturing facilities for our products. All our partner factories are audited and constantly monitored by our own, on the spot, quality control team to guarantee our exceptional standards of high-quality and consistency.

OVER 125 COMBINATIONS

RIPPLE EFFECT

PROFESSIONAL SOLUTIONS

Our collections are designed with the professional in mind. Forward thinking hotels, restaurants, retailers and foodservice environments around the world are creating stunning displays with our innovative food display and table top solutions.

INSPIRATION

We deliver original, high quality food service and display solutions; taking inspiration from studying cultures, food service and worldwide design trends.

INNOVATION

Supported by our in-house rapid prototyping capability, we design innovative new forms, finishes and material combinations.

DESIGN

Our in-house creative team designs new and original products with a commitment to improving the way food is displayed and served.

DESIGN LAB

Develop your concept into exactly the product you want! With our 'in-house' design expertise and ability to produce new, innovative products in small quantities, we are the ideal resource to use when you're trying to find just the product you're looking for.

OUR DESIGNER NEIL

"I wanted to create a canape tray that would indulge the requirements of the evolving foodservice environment. With that in mind I created a premium platter that is reusable and adds more function to its role. The texture was inspired to reflect refracted light passing through ice. I also had in mind high end caterers for example supplying private jets needing a reusable platter that would not damage any of the delicate interior surfaces it encountered."

ECO FRIENDLY

BAGASSE

Reduce your carbon footprint with Dalebrook's environmentally-friendly and sustainable Bagasse range. These innovative, biodegradable products offer eco-conscious food-to-go retailers a "green" sustainable food packaging solution.
The 100% compostable, microwavable, leak-proof containers and recycled PET lids, are ideal for takeaway meals.
Bagasse is a natural and renewable by-product of the sugarcane industry.

MINIATURE COLLECTION

Remmerco Miniature Dishes provide the perfect finish to any catering event. On-trend flip-top pots, jars and small trays are ideal for appetisers; spherical bowls, mini swan chairs, shaped spoons, tasting bowls and glasses offer great value without sacrificing style.

Stackable SF Silicone Feet NEW New Product

TAILOR MADE DESIGN

Our in-house creative team specialises in designing and producing new concepts from the ground up. We are world leaders in design with over 70 years' experience. This is supported by our accreditations and endorsements displaying our commitment to delivering a world-class service.

TAILOR MADE TIMELINE

CUSTOMISE AN EXISTING PRODUCT

In order to progress your inquiry for a customised product we need a detailed brief from you containing the following information...

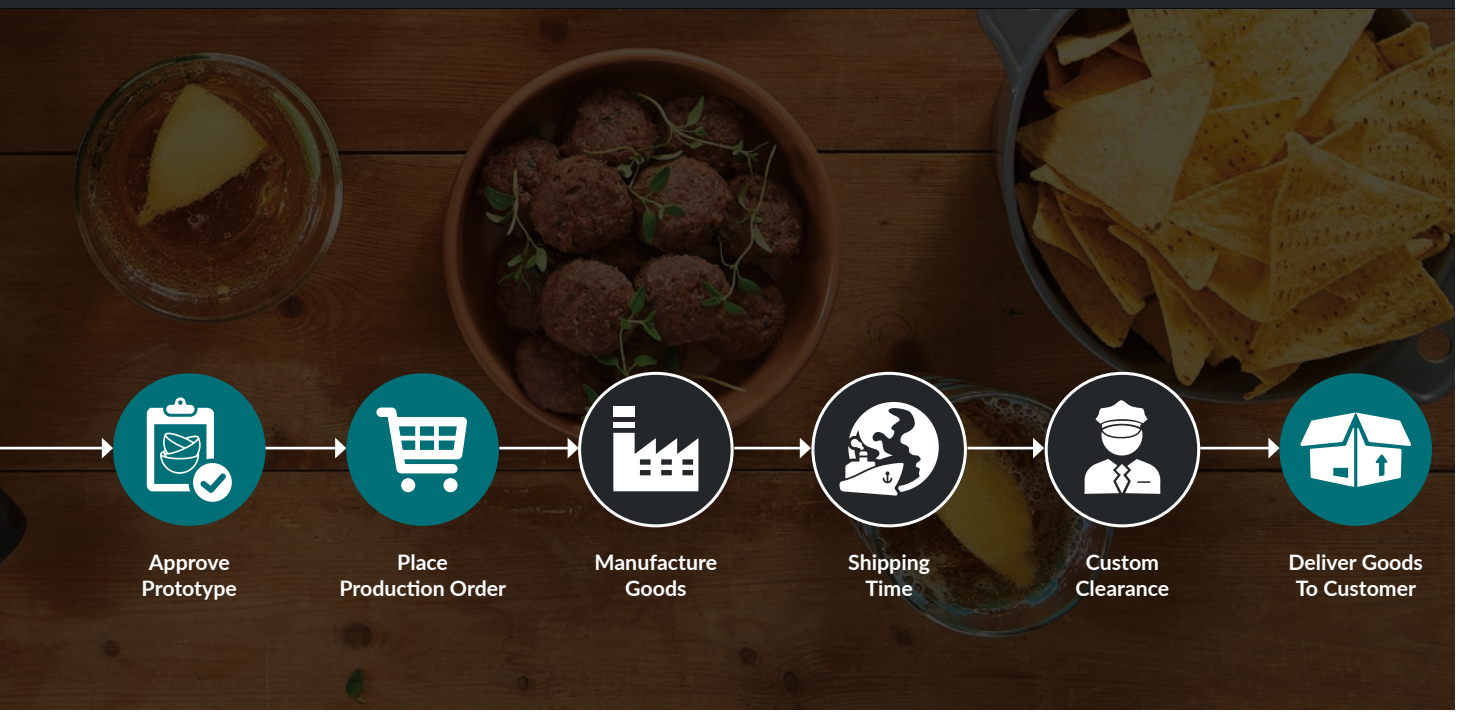

1. Colour scheme
2. Artwork/logo/branding required
3. Volume in units per item
4. Project roll out scheme
5. Delivery deadline
6. Budget *(if applicable)*

DEVELOPMENT OF A NEW PRODUCT

In order to progress your inquiry for a new product, we need a detailed brief from you containing the following information...

1. Purpose of the product (how/where will it be used?)
2. Performance properties (hot/cold food display)
3. Preferred material (Melamine/ABS/Acrylic)
4. Long term potential
5. Colour scheme
6. Additional packaging
7. Initial volume requirements
8. Budget price per unit
9. Project schedule
10. Delivery deadline
11. Other requirements

TERMS & CONDITIONS

1. Definitions
"The Company" shall mean Dalebrook Supplies Ltd. or Remmerco Ltd. "The Customer" shall mean the person, firm or company to whom any quotation is addressed or with whom any verbal or written contract is made. "The Goods" shall where the context permits include units, parts and accessories agreed to be sold.

2. General
(a) Any order including any based on, or resulting from any quotation is deemed to incorporate these terms and conditions; and these terms and conditions supersede any terms or conditions proposed by the Customer and shall prevail over any inconsistent terms or conditions contained in or referred to in any order, correspondence or elsewhere and all or any arrangements to the contrary are hereby extinguished.
(b) The Company accepts no responsibility for the accuracy of drawings, patterns or specifications supplied by the Customer. No orders placed by the Customer whether resulting from a quotation or otherwise shall constitute a legally enforceable contract until accepted by the Company. The placing of an order based on a quotation supplied by the Company or in the absence of prior quotation the acceptance of an order imports therein the terms and conditions set out here under.
(c) Any information or technical assistance given by the Company is given in good faith and is for general guidance only, and does not constitute a warranty, guarantee or recommendation of the suitability of the goods for any specific purpose.

3. Quotations
(a) All tenders, quotations and estimates made by the Company are given without obligation and are subject to written confirmation when the order is placed.
(b) Although every effort will be made to meet delivery dates these are not guaranteed, the Company cannot be held responsible for loss or damage due to delay in delivery, nor shall the Customer be entitled to refuse to accept goods because of late delivery.
(c) The time given for the execution of the order shall be reckoned from the date of receipt of the Customer's written order or from the date on which all information and drawings necessary to enable the Company to proceed is received, whichever date may be the later.

4. Corrections
The Company reserves the right to correct any clerical or typographical errors made by its employees, servants or agents at any time.

5. Prices
(a) Whilst every effort will be made to maintain prices as quoted, the Company will only accept orders at prices ruling on the day of despatch, and such price shall be fixed at the Company's discretion after taking into account any increase in the cost of materials, transport and any other relevant factors; and the Customer hereby agrees to pay the price as invoiced. The Customer also agrees to pay for any loss or extra cost incurred by the Company through any request or instruction or lack of instructions or if there is any suspension of work due to the instructions or lack of instructions on the part of the Customer, its employees or contractors. Unless otherwise indicated in the Company's quotation no discount of any kind is allowable. Prices being strictly nett.
(b) VAT will be charged at the rate applicable at the time of despatch.
(c) All prices and specifications are subject to alteration without notice.
(d) If an invoice is not agreed then it is incumbent upon the Customer to communicate this fact to the Company immediately as under no circumstances will any dispute be acknowledged by the Company more than 7 days after the date of the invoice.

6. Orders & Schedules
All verbal orders or instructions should be confirmed in writing within 3 days. Orders accepted by the Company cannot be cancelled without the consent of the Company in writing.

7. New Accounts
Two approved trade references and a bank reference are requested.

8. Carriage
Carriage is effected at the Company's option and appropriate charges will be made for such carriage based on current Carriage Standard Rates. Unloading is Customer's liability.

9. Payment
Unless otherwise agreed in writing, prices quoted and agreed by the Company and the Customer are nett prices. These are payable in accordance with the credit terms agreed between "The Company" and "The Customer", as stated in the credit facilities agreement letter issued by "The Company" to "The Customer". The Company reserves the right to charge interest in the event of payment being overdue at 3% over Barclays Bank plc base rate.

10. Risk
Risk in respect of goods shall pass upon delivery. When goods are by the Company's own transport delivery shall be deemed to take place at the moment the goods are lifted from the delivery vehicle. When goods are delivered by other means of transport delivery shall be deemed to take place when the goods are handed or surrendered to the carriers.

11. Claims
No claim for material damaged in transit or suffering from any defect apparent from reasonable examination will be considered by the Company unless:-
(a) An appropriately qualified signature e.g. Material received damaged (signed), is clearly made by the customer on the proof of delivery note. AND
(b) The Company is advised in writing, in addition to (a) above, within 3 days of receipt of material. No claim or loss in transit can be considered unless advised by the customer in writing within 10 days of invoice or in case of shortage within 4 days from receipt of goods and the Customer has signed the proof of delivery note indicating the amount of shortages. In no circumstances shall the Company be responsible for loss, damage or delay due to shortage of materials arising from circumstances beyond the control of the Company or from industrial disputes, transport delays, accident, plant failure or any other contingency (whether or not of the same nature as the foregoing), arising from circumstances beyond the reasonable control of the Company. The Customer is to indemnify the Company against any claims whatsoever for damages and costs and against all liability in respect of any infringement of patent rights or registered design resulting from compliance with the Customers instructions expressed or implied.

12. Defective Products
The Company in no circumstances, will be liable to the Customer or user for any loss, damage or remedial expenses, whether direct or consequential, arising from the goods supplied by the Company for any purpose.

13. Return of Goods
The return of any goods properly supplied will not be accepted unless the Company's authority has been previously agreed and a returns number given. Notice of such return must be in writing within 7 days of receipt of the goods. Returns must be delivered carriage paid accompanied by a separate advice note detailing the consignment. Conditional upon goods being received in perfect condition, suitable for immediate resale, goods will be credited at invoice or current value, less a handling charge of 25%. If any reconditioning is found necessary this will be charged.

14. Specials
Goods made to the Customer's orders and/or specifications cannot under any circumstances be accepted for return or cancellation.

15. Specifications & Drawings
Unless otherwise agreed in writing all descriptive specifications, drawings and particulars of weights and dimensions, furnished by the Company are to be deemed approximate only and the description and illustrations contained in such documents are intended to represent a general idea of the product and not to form part of the contract.

16. Copyright
All drawings, descriptions and other information submitted by the Company shall remain the property of the Company together with the copyright therein and must not be disclosed or reproduced without the Company's written authority.

17. Limits of Contract
Any quotation includes only such goods, accessories and work as are specified therein.

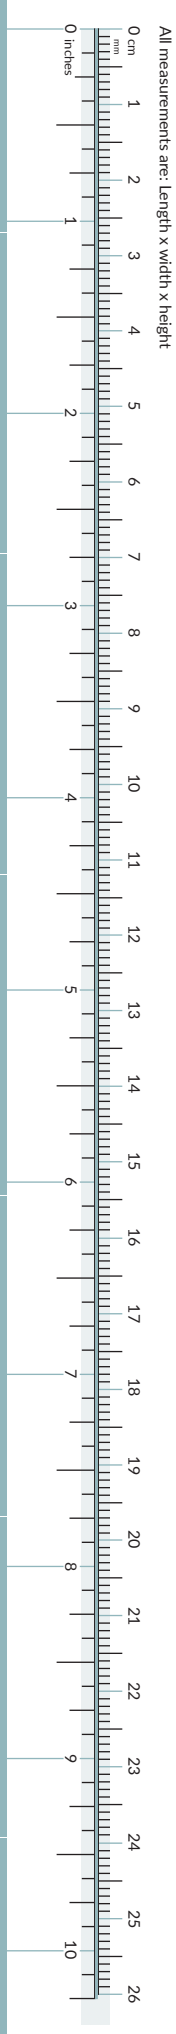

18. Limitations of Liability
The Company shall have no liability for any loss, delay, damage or claim arising out of the following:
(a) the Company's inability to obtain adequate labour or materials due to any cause outside the Company's control;
(b) prevention or delay in carrying out the works by reason of any cause outside the control of the Company including but not limited to any Act of God or force majeure.
(c) any act, omission, default or negligence by the Customer, its servants or agents.
(d) the Customer's failure to obtain all necessary permits approvals or licences required by law or otherwise with respect to the Work. Any costs incurred by the Company arising out of any of the matters described in sub clause (c) and (d) of this clause shall be invoiced to the Customer and shall, fourteen days after the date of such invoice, be a debt due from the Customer to the Company. Any claims arising from the negligence of the Company its servants or agents shall be limited to the Company's statutory liability.
(e) any infringement of patent rights or registered design resulting from compliance with the customer's instructions express or implied. Provided always that the Company shall not be held liable for any damage caused by negligence of its servants or agents when engaged upon the Customer's premises or otherwise, other than damage arising out of breach of contract.

19. Warranties
The Company warrants that it has exercised and will exercise all reasonable skill and care in:
(a) the design of the Work insofar as the Company has designed or will design the Work.
(b) the selection of goods and materials insofar as the Company has selected or will select the said goods and materials.
(c) the satisfaction of any performance specification or requirement provided always that such specification or requirement is included or referred to in the description of the Work or is agreed to in writing by the Company. Insofar as the Company has designed the Work such design shall at all times remain property of the Company and shall be used for no other purpose than the Work unless specifically agreed to in writing by the Company. No liability shall rest with the Company arising out of the unauthorised use of the design.

20. Insolvency
Should the customer commit any act of bankruptcy or make any composition or arrangement with its creditors or being a company has a winding up order made or (except for the purposes of reconstruction) a resolution for voluntary winding up passed or a receiver or manager or the business or undertaking is duly appointed or possession is taken by or on behalf of the holders of any debentures secured by a floating charge of any property comprised in or subject to the floating charge therein and in such case the Company, without prejudice to its accrued rights or remedies may by written notice determine its employment.

21. Retention of Title
All goods supplied by the Company to the Customer under the terms of any agreement shall remain the sole property of the Company both in law and in equity and the Customer acknowledges that it is in possession of all such goods solely as bailee for the Company until such time as the Customer shall have paid the Company the agreed price together with the full price of any other goods supplied by the Company pursuant to any other agreement between the Company and the Customer. Until such time as the Customer becomes the owner of the goods in accordance with the provisions of this clause, the Customer shall store such goods separately from its own goods or those of any other person or persons in such a manner as makes them readily identifiable as the Company's goods. The Customer's right to possession of the goods shall cease upon the occurrence of any of the events referred to in clause 20 hereof and the Company may thereupon enter upon any premises where the goods are stored or where they are reasonably thought to be stored for the purpose of repossessing the goods.

22. Legal Construction
Unless otherwise agreed by the Company in writing, these conditions shall in all respects be construed and operate as an English Contract, in conformity with the English Law.

All measurements are: Length x width x height
