Dalebrook®

A unique and innovatively designed premium melamine tableware solution to support independence and promote dignity within the healthcare sector.

Introducing OMNI

Introducing OMNI

OMNI

OMNI, a dinnerware range for the health and social care sectors.

Sturdy, durable and virtually unbreakable, **OMNI** premium melamine dinnerware and drinking aids promote equality, maintain dignity, encourage independence, and wellbeing.

With discreet features designed to empower those who have difficulty in using traditional porcelain crockery or fine china, **OMNI** can be used by anyone, anywhere with confidence.

- BPA-free
- melamine is a great insulator it keeps
 - hot food and drink warm
 - cold food and drink cool
- durable, strong and practically indestructible
- has the appearance of porcelain
- dishwasher safe
- considerably reduces the impact of noise during service

If you require a custom piece or colour, our design team specialise in creating and producing new concepts from the ground-up.

4

OMNI®Making eating and drinking enjoyable for all

- anti-slip silicone feet

OMNI^{*} Deep Edge Plates

OMNI Deep Edge Dinner Plate and Deep Edge Side Plate - replace the need to use a separate food bumper, the deep internal wall aids diners who may push food off the plate because of a lack of coordination, limited muscle control or dexterity.

- stable anti-slip silicone feet
- muscle memory sensory points
- deep internal wall
- wide rim for grip
- nestable for ease of storage
- a great insulator so no need to pre-heat

Discreet features designed to empower diners requiring additional support

OMNI

Alzheimer's and Dementia sufferer's food intake increases by up to 25% when high-contrast tableware is used.

Design in mind

"Research by Boston University in 2004 has concluded that advanced Alzheimer's patients' struggle to process visual data—like contrast and depth perception when eating off standard white plates. Food intake increases by up to 25% and liquid intake increases by up to 83% when high-contrast tableware is used."

OMNI

Deep Edge Red Alzheimer's and Dementia Plate

This purpose designed plate encourages food recognition and eating by Alzheimer's and Persons living with dementia. This plate has a positive impact on the challenges of recognising food caused by visual impairment.

OMNI^{*} Drinking Aids

Fits both the **OMNI** cup and mug

- available in two designs
 - sip lid with sip through hole
 - funnel lid with flow control
- discreet design in durable silicone
- can be used with hot or cold liquids
- inwardly curved lid surface for nose spacereduces risk of spillage
- drinking aperture controls flow of liquid intake
